| ETH | Corruption |
| ETH | Anticompetitive practices |
| ETH | Responsible information management |
| **EcoVadis – Sustainable procurement** | |
| SUP | Supplier environmental practices |
| SUP | Supplier social practices |
| **Management indicators** | |
| MI | Policies |
| MI | Endorsements |
| MI | Measures |
| MI | Certifications |
| MI | Coverage |
| MI | Reporting (KPIs) |
| MI | 360° Watch findings |

## Annex B – Finding Types and Categories

| Term | Meaning |
|---|---|
| CAR | Corrective Action Request: a misstatement or non-conformity that must be corrected and closed before a positive conclusion, opinion, certificate or claim can be issued. |
| CR | Clarification Request: information is insufficient or unclear to decide whether a requirement is met; the client must provide clarification or evidence. |
| FAR | Forward Action Request: an issue to be addressed and checked in the next period; it does not prevent the current conclusion. |
| Policy gap | A required policy is missing, not approved, undated or does not cover the criterion. |
| Action / measure gap | No evidence of actions, procedures or projects implementing the policy. |
| Reporting / evidence gap | KPIs, coverage, certificates or documents are missing or not acceptable. |
| Critical | Finding that alone makes the reported information materially wrong or prevents a conclusion; immediate correction required. |
| Major | Systematic or significant failure that could lead to a material error or invalid claim if not corrected. |
| Minor | Isolated lapse not likely to cause a material error or invalid claim on its own. |
| Concern | Observation or opportunity for improvement; no action is mandatory. |

*Severity categories are suggested definitions aligned with MDSSPL procedures. Clause titles are summarized for reference; refer to the licensed standards and current regulatory texts for full requirements.*
