6.8	Core subject – Community involvement and development
7	Integrating social responsibility throughout the organization
IS 26001	IS 26001:2020 Corporate social responsibility – requirements (where applicable)

Annex B – Finding Types and Categories

Term	Meaning
CAR	Corrective Action Request: a misstatement or non-conformity that must be corrected and closed before a positive conclusion, opinion, certificate or claim can be issued.
CR	Clarification Request: information is insufficient or unclear to decide whether a requirement is met; the client must provide clarification or evidence.
FAR	Forward Action Request: an issue to be addressed and checked in the next period; it does not prevent the current conclusion.
Practice gap	The organization's practice does not reflect the guidance for the core subject or issue.
Stakeholder engagement gap	Stakeholders are not identified or engaged as described in ISO 26000, clause 5.
Evidence gap	Documents or records do not support the practice.
Critical	Finding that alone makes the reported information materially wrong or prevents a conclusion; immediate correction required.
Major	Systematic or significant failure that could lead to a material error or invalid claim if not corrected.
Minor	Isolated lapse not likely to cause a material error or invalid claim on its own.
Concern	Observation or opportunity for improvement; no action is mandatory.

Severity categories are suggested definitions aligned with MDSSPL procedures. Clause titles are summarized for reference; refer to the licensed standards and current regulatory texts for full requirements.
